

UK's leading manufacturer of MDF mouldings

We are a family owned business with strong core values of teamwork, integrity, respect and loyalty.

Quality is integral to everything that we do, from the manufacturing process in our state of the art facility to the quality of service we provide to our customers.

We add value to our core products through innovation using a customer led approach.

People are important to us and we believe our business is built on good working relationships and being flexible in our approach.

SAM Stock helps you cope with short lead times. Choose from our extensive range of primed and wrapped products that are ready to ship or collect from our warehouse.

At SAM, we don't just manufacture, we craft. This means we can easily craft our offer to you – bringing extra value and extra convenience to your customers. We call it SAM Xtra.

We have samples of all of our core profiles in stock. If your requirements are bespoke, our 3D printers allow us to print samples in a matter of hours and post either same or next day.
